

GBF Community Services

Holiday Hamper Program

*** Monday, December 1 - Wednesday, December 10 ***

The Grimsby Benevolent Fund (GBF) is looking to the West Niagara Secondary School community to assist with ensuring no one goes without this holiday season. The food gathered not only provides a holiday meal for people in need but also stocks the shelves of the food bank for the winter months. The toys, clothing, gifts, and gift cards collected will make a difference for local families.

Homeroom classes are encouraged to fill their hamper with non-perishable food, new toys, clothing (tags attached), and gift cards to local grocery stores and restaurants.
