

Hello Grade 12 Students and Caregivers,

The Guidance office wanted to thank all potential graduates who have completed the mandatory Graduate Form in D2L. As of Thursday, November 20th at 10:00am all students who have requested to meet with a guidance counsellor to discuss post-secondary pathways and options have either been met with or emailed with a date or time to meet. If your student requested an appointment but has not yet had theirs, please encourage them to check their DSBN email. If your student has not yet filled out the mandatory Graduate Form, please have them complete it as soon as possible in D2L.

We would also like to inform you that the [Ontario Colleges website](#) has undergone some changes as of November 18th. The appearance of the website is significantly different from before, but all relevant information is still available. Students who created accounts to apply to College can still access their accounts via the website by clicking the “apply/log in” button at the top of the webpage.

Kindly,

Your WNSS Guidance Department
