March 27th, 2023

Wolfpack and Families,

I have a few updates for you below.

1) Behaviour at the Grimsby Plaza

- a) A reminder that the expectation for students heading to the plaza at lunch is polite and proper behaviour when in and around the restaurants and stores. We work regularly with businesses at the plaza and follow up with parents and police when issues arise. Please have the conversation at home around how students should be representing themselves, their family and their school when out for lunch.

2) Director's Artisan Card Contest

- a) Please see the attached flyer and consent form for the Director's Artisan Card Contest
- b) The deadline for submission is Friday, March 31 at 4:30 p.m.

3) Semi-Formal

- a) Tickets for the semi formal went on sale last week through School Cash Online for grade 11 and grade 12 students
- b) Tickets for grade 9 and 10 students will go on sale on March 29th
- c) The semi formal is scheduled for May 4th at The Grand Olympia

4) Job Fair

- a) A reminder of the Town of Lincoln's job fair - April 3rd at Great Lakes Christian College 3pm-6pm - flyer attached

5) Yearbook

- a) Yearbooks for the 2022/2023 school year are now available to be purchased. You can use School Cash online or directly purchase them at the office using debit or cash. The books are 100% student created (Design, Art, Photography, Writing, Journalism, Marketing, etc.) and will be arriving in June. The cost is \$50. They always sell out fast, so don't delay.

6) West Niagara's own Sean Hamad has produced two original albums that are available on music streaming services (Apple Music, Spotify) - both listed under Sean's first and last name. The albums are entitled "King of The Hill" and "12am" - congratulations, Sean!

As always, please let me know if we can help.
