Supporting Our New West Niagara Secondary School

We are happy to announce that the West Lincoln Chamber Community BBQ will be happening again this year on Saturday July 22, 2023.

We are reaching out to request your sponsorship support for this community's event where we anticipate at least 350-500 people to attend. The BBQ will feature great food, entertainment, and activities for families. Your sponsorship will be widely recognized by the community!

A portion of the proceeds from the BBQ will go towards the new West Niagara Secondary School supporting their development of the 750 seat theatre that will be available not only for students but the community at large. Your sponsorship can help make this happen!
