

WestNiagara

Secondary School

March 1st, 2023

1) **Parent-Teacher Communication**

- a) Semester 2 preliminary reports are scheduled to be sent home on March 9th, 2023 - printed copies available upon request
- b) We encourage parents to reach out to teachers to communicate at any point in the semester. While we will not be holding a formal "parent night" - parents are still encouraged to call or email their child's teachers any time they wish
- c) If parents would like to meet - either in person, or virtually - with a teacher, please email them to arrange a time that works best for all
- d) Teacher email addresses can be found on the West Niagara Secondary School webpage (Contact Teacher @ on the right hand side) or here <https://westniagara.dsbn.org/home/teaching-staff-2020-sem2>

2) **Vaccine Clinic**

- a) March 7th will be the next NRPH clinic in the lower gym
- b) Students needing vaccination should bring their yellow cards
- c) Advance appointments are not needed - students will be called down through the day

3) **Reminder - lunch time.**

- a) Please remind your students to represent their school well over the lunch hour. We have seen drastic improvements in that respect, however, a reminder about behaviour on the way out at lunch time, and over the break, would be appreciated. We will continue to remind at school as well. Thanks in advance!

As always, please reach out and let me know if we can help.

Mat Miller
Principal, WNSS
