

WestNiagara

Secondary School

October 3rd, 2022

Wolfpack and Families

I wanted to communicate with each of you around our upcoming preliminary report, and parent communication.

Preliminary Reports

Preliminary Reports will be sent out electronically this Friday, October 7th. We are not certain on what time of day the send will happen.

Reports will be sent to student email addresses. The reason for this is that student emails are internal to the DSBN computer system, and secure. We cannot be certain that parent email addresses are correct or secure, as they are external to the DSBN.

If you require a paper copy of the report, please respond to this email with your child's name by noon on Thursday, October 6th.

Parent-Teacher Communication

We encourage parent-teacher communication as part of our collaborative approach to student learning. We will not be limiting this communication to a particular time frame on a particular night. If you are looking to connect with your child's teacher, we recommend an email to them to request some information, a call or a meeting on MS Teams. I have attached an information sheet noting how you can also log in to your child's D2L or Google Classroom platform. All teacher email addresses can be found on the WNSS website (<http://westniagara.dsbnschools.org>) using the "Contact Teacher" button on the right side.

Have a great week.

As always, please let us know if we can help.

Mat Miller
Principal, WNSS
