## Secondary School

September 11th, 2022

Hello Wolfpack,

A couple of short items as we head into our second week. . . . .

**1) Rain**

- a) The forecast is calling for rain tomorrow. It is important for students to dress appropriately/bring an umbrella. Staying dry while waiting for the bus, on the way in and out of school, and should you go outside for lunch, makes for a much better day.

**2) Choose the WNSS Motto**

- a) The decisions around the name of our school, and our school mascots, have been driven by student voice and choice. We look to continue this tradition in the choosing of the motto for our new school.
- b) The group will analyze the data collected from our student voice sessions last year, and collectively build and choose a school motto in a collaborative process.
- c) The commitment is 4-5 1hr to 1.5 hr sessions after school between now and the end of semester one.
- d) All students are welcome, regardless of grade, previous school, program, or campus. Transportation will be arranged for any who need it. Refreshments will be provided.
- e) To show your interest, please fill out the following form by the end of the day on Friday, September 16th.

Have a great Sunday night, looking forward to an excellent second week.
