

ABOUT US

Guidance Newsletter

Dear WNSS Students and Caregivers,

This newsletter is designed to provide students and caregivers with important information and upcoming deadlines from the Guidance department. This may include logging community service hours, picking courses, information regarding graduation, and more.

Splitting up student tasks over four years helps to alleviate some of the stresses that may come in grade twelve. This is simply a guide of tasks students should complete in each year to ensure all requirements for graduation are met.

This newsletter will be emailed to all students and caregivers twice yearly, in September and February.

Please also see the [Guidance 2025/2026 Calendar](#). This will be updated throughout the year with other guidance related important dates. Please bookmark this link to refer back to it throughout the school year.

If you have any questions, please don't hesitate to reach out to a member of our team.
