Guidance:

If you wish to make changes to your timetable for next year:

Please note that the Guidance department will be addressing appointment requests starting the week of August 26th for grades 11 and 12 only. Exceptions will be made for grade 9 or 10 students who are missing a course(s). Timetable change appointments will be in-person for the week of August 26-30th and will be first come, first served. We will not be acknowledging email requests.

Once school starts on September 3rd, students will have to make appointments through the online appointment request form.

Grades 9 and 10 can begin to request timetable changes during the first week of school.

Appointment requests will be addressed according to the following priority:

1. unresolved conflicts
2. summer school results that impact this year's timetable
3. Post-Secondary program needs
4. new registrations
5. level changes
6. All other appointment requests, including those for course changes, will occur once these have been addressed

Thank you for your understanding and patience.

If you need help with summer school:

Summer school starts on July 3rd. If you signed up for a summer course you would have already received an email from PRISM to your DSBN student email account saying you were signed up for a course. You most likely will not hear anything else from your summer school teachers until July 2nd. Your class will appear in your D2L on July 3rd.

Summer school questions for in-person learning can be sent to ace@dsbn.org. Summer school eLearning inquires can be sent to eLearning@dsbn.org.
