Ridgetown by the Numbers

- Small campus community of around 600 students
- 450 acres of land
- Small- and large-animal colonies
- 4 teaching barns on campus
- 8,000+ Diploma graduates
- 70+ years of education delivery

AGRICULTURE

- **Co-op Option**
 - Focus your future career in the agriculture industry: crops, livestock, agri-business and/or resource management
 - Gain hands-on experience on our farm operation
 - Connect with industry leaders through instructors

ENVIRONMENTAL TECHNICIAN

- **Co-op Option**
 - Master industry skills in environmental teaching labs
 - Prepare for industry certifications
 - Learn at the Ridgetown Wastewater
 Treatment Facility
 - Gain highly sought-after job skills

EQUINE CARE AND MANAGEMENT

- Co-op Option
 - Work hands-on with the teaching herd, which includes a variety of horses from all disciplines
 - Gain industry skills to prepare you to work in an A-level facility
 - Learn at the Regional Equine Agricultural Centre of Huron (REACH)

HORTICULTURE

- **Co-op Option**
 - Focus your studies on the greenhouse production, edible horticulture or nursery/landscaping sectors
 - Learn to identify 100+ trees and shrubs
 - Develop career-ready skills in our on-campus greenhouses

VETERINARY TECHNOLOGY

- Participate in hands-on learning activities with animals on campus
- Enhance job skills during your work placement
- 85% or more graduates pass the Veterinary Technician National Examination
- Animal adoption program on campus
- The only Ontario school accredited by the Canadian and American Veterinary Medical Association and the Ontario Association of Veterinary Technicians

Certificate in

VETERINARY ASSISTANT AND OFFICE ADMINISTRATION

- Build the skills required to be a veterinary assistant and front office administrator
- Gain experience while working with our small animal colonies on campus
- Focus your studies on both animal care and administrative business training
- Learn advanced software used by industry professionals

Apprenticeship in

DAIRY HERDSPERSON

- Build your knowledge through in-class training and develop problem solving skills for your career
- Work, earn and learn at the same time
- Gain practical skills while training on the farm with your employer
- Evaluate herd efficiency by collecting, analyzing and sharing data

INDUSTRY EXPERIENCE

- Co-op Option
 - Agriculture Diploma
 - Environment Technician Diploma
 - Equine Care and Management Diploma
 - Horticulture Diploma
- Industry Work Placements
 - Veterinary Technology Diploma (6 Weeks)
 - Veterinary Assistant and Office
 Administration Certificate (4 Weeks)
- Apprenticeship
 - Dairy Herdsperson Apprenticeship (On-Farm Training)

ADMISSION REQUIREMENTS

2-Year Associate Diploma Programs

- Agriculture
- Environment
 Technician
- Equine Care and Management
- Horticulture

- Ontario Secondary School Diploma (OSSD) or equivalent
- A minimum cumulative average of 65% in six Grade 11 or 12 U, C, M or O level courses (excludes Co-op credits)
- Includes a minimum of a Grade 11C Math and Grade 12C English
- Veterinary
 Technology
 Conventional
 (2-Year)
- Veterinary Technology Alternative (3-Year)

- Ontario Secondary School Diploma (OSSD) or equivalent
- Grade 12 C or U English, Grade 12 C or U Mathematics, Grade 11 C or U Biology and Grade 12 C or Grade 11 U Chemistry
- A minimum final grade of 75% at the C level
- A minimum final grade of 65% at the U level

1-Year Certificate Program

- Veterinary
 Assistant and
 Office
 Administration
 Certificate
- Ontario Secondary School Diploma (OSSD) or equivalent
- A minimum cumulative average of 65% in six Grade 11 or 12 U, C, M or O level courses (excludes Co-op credits)
- Includes a minimum of a Grade 11C Math and Grade 12C English

2-Year Apprenticeship Program

- Dairy Herdsperson Apprenticeship
- Ontario Secondary School Diploma (OSSD) or Ministry-approved equivalent
- To fulfill the practical on-farm component of the program, students are required to be working on a dairy farm
