

WNSS Newsletter - Semester 2

January 29, 2026

Wolfpack Updates

As we begin the second semester, we're excited to continue fostering a school community where meaningful learning, connection, and safety come first. This newsletter highlights key updates to support students; updated attendance procedures, timetable information, upcoming events, course selections, and daily supports that help every learner stay engaged and on track. Thank you for partnering with us as we work together to ensure all students thrive in the months ahead.

Safe Arrival & Attendance Updates

At WNSS, student safety and uninterrupted learning time remain top priorities. To help us ensure all students are accounted for and engaged in their scheduled classes **including MSIP**, please review our updated attendance procedures & expectations.

Attendance Reporting

- **Safe Arrival System:** Use Safe Arrival to report full-day absences and late arrivals.
- **Early Departures:** If your child needs to leave early, please call the attendance line at **905-945-6525**.
- **Morning Reporting:** Even if your child will leave later in the day, reporting early in the morning helps us notify teachers promptly.

Signing Students Out of Class

To maintain a safe and supervised environment:

- Students **must be picked up** when signed out and may not remain on school property.
- Students **cannot** be signed out to spend time in the library or cafeteria when they have a scheduled class including MSIP.
- Students may **not** be signed out to attend school events unless they are official participants.

These procedures help us maximize instructional time and maintain a secure school environment. Thank you for your cooperation in keeping students safe, engaged, and learning.

Meet the Teacher Night: Building Connections

Tuesday, February 24, 2026 4:30–6:30 PM

We're excited to welcome families to **Meet the Teacher Night**, a special evening focused on building strong partnerships between home and school. Instead of holding traditional mid-term Parent-Teacher Interviews, we now focus on connecting with families earlier through Meet the Teacher Night. This approach helps us build relationships sooner and sets students up for a positive, successful semester.

Why Attend?

- Connect early with your child's teachers in a casual setting
- Learn about their classroom cultures, expectations, routines, and curriculum
- Share insights and discuss how to support your child's success

Keeping the Connection Going!

Families are encouraged to reach out to teachers anytime throughout the semester to:

- Ask questions & check on progress
- Share concerns or successes
- Collaborate on strategies for growth

Staff contact information is available at: <https://westniagara.dsbnet.org/home/staff-contacts>
