

School Cash Online is Working!

Online Permission Forms & Student Activity Fees

Thank you for your patience as we updated the School Cash Online system. Permission forms and the Student Activity Fee are now available through School Cash Online [Secure online payments for school activities - School Cash Online - DSBN](#) or you can find the SCO link on our website.

We ask parents/guardians to complete the required permission forms by September 15th. In order for students to participate in Technology, Science, Physical Education and Family Studies courses, the required permission forms must be completed.

The Student Activity Fee plays an important role in helping us provide a wide variety of experiences and opportunities for our students. These funds help us:

- Subsidize transportation and field trip costs
- Support graduation ceremony costs, including the commemorative gown provided to each graduate.
- Subsidize school events such as Student Council activities, Camp Wolfpack, Colour Cup, semi-formals and prom, helping us keep costs to students as low as possible
- Provide a West Niagara hoodie to every incoming Grade 9 student
- Support our many school clubs and organizations throughout the year

We greatly appreciate the support of our families. These funds help us continue to create memorable experiences, build school spirit and provide opportunities for students to get involved in our school community.

Supporting Students with Prevalent Medical Conditions

Students with Prevalent Medical Conditions are required to complete a Plan of Care each year. Parents/guardians have access to the relevant forms using this link, [Prevalent Medical Conditions](#)

Once completed you can email them to Jenny.Gardner@dsbn.org or drop them off in the office. If you have any questions about this process, please call the office and we can help.

Upcoming Events

School Photos:

- **Wednesday, September 16** – Grades 9 & 10
