Wolfpack and Families,

I have a few updates and information items for you below.

1) Wear Anything Pink Day

- a) In the DSBN, "Wear Anything Pink" day is on Wednesday February 26th
- b) Students are encouraged to wear any pink clothing to show unity against bullying and its harmful effects

2) School Council - Guest Speaker

- a) WNSS School Council (for parents and families) is next week, Wednesday February 26th at 7pm in the WNSS Library
- b) On this night, we will have a special guest speaker - Dr.Carolynn Pietrangeli on survival skills for Post-Secondary studies - students and families are both welcome to attend
- c) Please let me know if you are planning on attending - the meeting starts at 7pm, with Dr. Pietrangeli starting her talk at 7:30pm
- d) Location TBD, based on how many people will be attending - **please respond to this email if you are planning to attend**

3) Boys Hockey - Zone Championship

- a) An item will be appearing on School Cash soon, around the opportunity for students to attend the Zone Championship game at Fleming arena on February 25th
- b) If students wish to participate in this buy-in event, they will be signed out for period 5 and are to meet outside of the gyms at the beginning of period 5.
- c) Students will be transported by bus to Fleming Arena at 1:05pm and will have the option to take the return bus back to the school. The bus will depart the arena promptly at 3:05 pm.
- d) Students will need to take the late bus home or arrange for their own ride home from the school at that time.
- e) All students who buy in will be provided with a wrist band as they board the bus and wristbands will be checked at the door for entry.

- f) WNSS Athletic Council will be offering concessions and will be accepting cash only at the event.
- g) Don't forget to wear your Wolf Pack Blue spirit wear and be ready to cheer on our boy's varsity hockey team at their zone championship!!
- h) We ask parents to please not sign your child out and have them make their own way over to the arena. The reason for this is that we want to be able to provide adequate supervision at the arena, and having uncertain numbers makes that very challenging.

4) Summer Jobs

- a) The Township of West Lincoln is currently recruiting for summer student positions
- b) See the attached flyer for details

Have a great evening
