A recruitment poster for Creative Bug. The background is light purple with colorful paint splatters in purple, red, and green. At the top, the text 'DESIGN YOUR CAREER' is written in large, bold, purple letters. Below this, 'At Creative Bug' is written in red. A white box contains the text: 'We are hiring!' followed by a bulleted list: '• Casual opportunities starting NOW!' and '• Full-Time Summer Camp positions!'. Below the list, it says 'If you are excited about being part of an engaging team, apply now!'. At the bottom of the white box, it says 'Send Resume and Cover Letter to heather@creativebug.ca'. On the left side, there is a circular inset photo of a red Volkswagen Beetle with 'Creative Bug PARTIES & WORKSHOPS' written on its side, with several people standing around it. In the bottom right corner, there is a cartoon character of a red ladybug holding a purple pencil and a green crayon, with the words 'CREATIVE BUG' written on its back.

Have a great evening,
