

January 31st, 2025

Wolfpack and Families,

Thank you for a great start to semester two. It is great to see so many of you excited and enthusiastic about your new classes.

A few reminders as we head into the weekend:

**1) From our Guidance Team:**

The Guidance Department would like to give a few announcements about timetable changes and appointments:

- We are working through appointments as quickly as possible in the order in which they are submitted or in academic priority. Please watch your emails and listen to the announcements when we call you out of class. We appreciate your patience
- Please attend your schedule as it is now until we meet/contact you - all classes
- Online classes are now full
- In-person classes are VERY limited, so some timetable changes may not be possible
- We are unable to make preferred teacher switches or MSIP changes to timetables to be with friends
- Those who have requested appointments regarding next year's course selections will be called down once timetable changes are complete
- The more detailed your appointment request is, the easier it is for guidance to support you

Thank you again for your patience and understanding.

-Team Guidance

2) **Coldest Night of the Year**

a) On Saturday February 22nd YWCA Niagara has our biggest annual fundraiser! It's our TENTH annual Coldest Night of the year walk-a-thon! This event helps to support women and their families in West Niagara who are experiencing homelessness.

b) **Event Details:**

What: 10th Annual Coldest Night of the Year Walk-a-thon, followed by chili and refreshments back at the church

When: Saturday February 22nd

Where: Mountainview Church, Grimsby

What time: Event begins at 4pm(volunteer start times vary between 3-4) event runs until 7pm.

c) **How can you be involved?**

We are looking for volunteers to help us out at this years event!

d) Volunteer positions needed:

**Route Marshalls**

Route Marshalls stand along our walking route to cheer on, celebrate, and help to direct our walkers along their journey! This is an outdoor position but you won't be outside for longer than an hour! This position is best in pairs so grab a friend and sign up! (position time would be from about 4-6). Volunteer hours can be extended as well as we will need help cleaning up the event from 7-7:45!

**Chili servers**

We have a chili competition portion of our event. We are so lucky to have 8 local restaurants participating this year! We need volunteers to help with serving chili to our walkers when they return. (position time would be from about 4:30-6:30). Volunteer hours can be extended as well as we will need help cleaning up the even from 7-7:45!

Families who don't want to volunteer are also welcome and encouraged to come for our walk!

Anyone with questions can email the event organizer at [CLeniarsky@ywcaniagararegion.ca](mailto:CLeniarsky@ywcaniagararegion.ca)

Have a great weekend.
