

June 13th, 2025

Wolfpack and Families,

I have a few information updates and reminders for you below.

1) Reminder: Final Culminating Activity Days (FCAs)

- a) All families should have heard from their children's teachers about what is expected in each class on FCA days - if not, please let Mr. Miller know
- b) The schedule and times are listed on the school website, and in past emails
- c) The last day for cafeteria and late bus service will be Tuesday, June 17th
- d) Transportation operates on normal schedules during FCA days - this means that if students are looking to head home right after their FCA, they need to arrange for their own transportation
- e) Beyond the FCA on a given day, there is no other programming planned - if students are staying through the day they are expected to study quietly in the library or cafeteria
