

26 May 2025

Wolfpack and Families,

I have a few updates and information items for you below.

1) Rowing Results

- a) Congratulations to the Junior Boys Rowing Team for an amazing showing at the London Western High School Invitational. Shout out to George S. and Jackson S. for bringing home silver in junior men's double and Devin L. and Nicolas D. for a 7th place in junior men's double.

2) Study Skills Bulletin

- a) See the attached bulletin from Ms. Smithson's class around preparing for culminating activities

3) Rotary Youth Exchange

- a) Please see the attachment from the Rotary Club of Lincoln regarding the need for host families to support youth exchanges.

4) NRPH Newsletter

- a) Please see the attached newsletter from Niagara Region Public Health

5) Volunteers Needed

- a) Please note the following volunteer opportunities available at upcoming events hosted at the Welland International Flatwater Centre. Throughout the summer, the City of Welland proudly hosts several provincial and national flatwater competitions. These events rely heavily on the support of dedicated volunteers to run smoothly. They are currently seeking volunteers for roles such as boat holders, safety boat drivers, and officials' assistants to help ensure events are conducted safely and in accordance with all regulations. Volunteering at these events can be a good way to raise money for your organization as they send a \$20 donation to a non-profit of your choice for each shift volunteered. You can

view and sign up for this season's volunteer opportunities through the links below:
