## Secondary School

November 13, 2023

Wolfpack and Families,

I have a few updates and information items for you:

**1) Midterm Report Cards**

- a) Paper copies of midterm reports will be distributed on Wednesday, November 15th in period one classes
- b) Electronic copies will also be distributed to student email addresses - the reason they are not sent to parent emails is that students have DSBN email addresses which are internal to our system and thus more secure
- c) Teacher email addresses can be found on the WNSS website if you are looking to reach out with a question or to set up a conversation about your child's progress

**2) School Council**

- a) This Wednesday, November 15th in the Library at 7pm
- b) The library is on the second floor at the front of the school
- c) Please RSVP to Mr. Miller, and send any agenda items, by Tuesday - thanks!

**3) Multi-Faith room for Prayer or Silent Meditation**

- a) At WNSS, this room can be accessed by students with the knowledge of their teachers in room 349 (3rd floor, Science Wing)

Have a great evening.

Mat Miller  
Principal, WNSS
